

Boston Sunday Oct 6, <sup>61.</sup>

Friend Wilcox.

I received your letter last week, and was very sorry to hear you were sick, and hope by the time you get this you will be as lively as ever, (~~and hope you will be~~). I am very much obliged to you for so long a letter and hope they will come often. You must be careful and not ride too much until you get more strength, for it will take you longer to get well, and I hope your Visit up Home will be pleasant. I should like to go with you very much, I bet we could manage to have a good time, and if you have any Cider left you can send some down in your next letter. I am sorry you did not have your

Mate to help you write this last mes-  
sage, but perhaps next time you will be  
more lucky in having her there, I  
am much obliged to you for ~~trans-~~  
giving her that Kiss, and as many  
more as you gave her for yourself  
you can please repeat for me.

My Wife says send Wilcox a Kiss from  
her, you will find it in here, that  
is if I do not forget to put it in for  
I am very sure I took it for you.

Every thing is about the same here in  
Town, I am still at Green St, once  
a day, & but it is not the same  
place it used to be when you were  
there, they are most all new places  
faces, and we do not have near  
as good a time they hardly ever  
meet in the Parlor, but scot for  
these Rooms as soon as they swallow  
these dinners and suppers. I have  
not much to write this time, not as

much as you who were sick at the  
time of writing but never mind we  
must write often to make it up.

I had letter from Billy Buckman  
last week, you know he has gone  
to War, he went about two Months  
ago, he likes out there very much  
So far, he is with the 13<sup>th</sup> Regt  
in Maryland near Harpers Ferry,  
in "Gen Banks Div", you had better  
write to him for its dose him good  
to hear from his friends. I will give  
you his directions.

Corporal Wm. M. Buckman  
Company "D." 13<sup>th</sup> Regiment  
of Map. Vol.

"Gen Banks Division"

Please give my Love to Kate, and  
be sure and write soon.

Yours Truly,  
Edward Tencomb.
