Dear Brother

I presume that you have learned ere this of my enlisting and leaving for the war I should of written you before but since I came to the camp which was the 12th I have had so much to do that it has been imposible for me to get a chance to anyone But thought I would ¶ just write a few lines this morning and let you know where I was and where I was going

I am the 1st Seargent of the Co and for the last 3 nights I have sat up and wrote till past 12 o'clock in order to

get the pay and board
wolves ready as we have orders
to leave here on Monday next
When I was Home I thought we
should go by the way of N.Y.
This is our reason for not writing
solicitng every day that I should
find out I learned this morning
that we are to go to Boston and
from there to Washington by
water I feel quite disappointed
as if we went ~~by~~ by way of N.Y.
I should stand a chance of seeing
you which I would like to do
very much before going South
My health is first rate and
enjoy camp life much better
than I expected My Departures
are with the Capt and Lieut.
I cannot stop to write longer
now but will when I get over
this hurry I don't know as
I shall get a chance to write

get the pay and board rooles [rolls] ready as we have orders to leave here on Monday next When I was Home I thought we should go by the way of N.J. This is one reason for not writing expecting every day that I should find out I learned this morning that we are to go to Boston and from there to Washington by water I feel quite disappointed as if ~~B~~ by way of N.J. I should stand a chance of seeing you which I would like to do before going South My health is first rate and enjoy camp life much better than I expected My Quarters are with the Capt and Leiut^s I cannot stop to write longer ^{more} now but will when I get over this hurry I don't know as I shal get a chance to write

again till we get to Washington
which I will do as soon as we
get there Give my love to
Uncle's family and expect
a share for your self

As ever your affectionate brother
