In office of Capt  
Dear Brother Camp

I sent a letter to you yesterday saying that I expected to leave for Newbern N.C. But upon applying for a pass for transportation to Capt Camp, he could not tell where the 9<sup>th</sup> A. Corps. was as they had moved but no publication had been made of it. But they have ascertained to day that they have gone west into Tennessee. It is now 6 o'clock, and I shall leave for Cincinnati, O. in half an hour. If I stop there any length of time I will write to you. Your brother  
Chas W. Wilcox
