This will be handed you by M^r.

Thing who goes to Exeter to obtain leave for M^{rs}
Pepperell to go to New York to her Husband, as such
leave has been generally granted, have no doubt but
the Hon^{ble}. Committee will comply with the Request,
I am the more Desirous of this, as it will offer a good
Opportunity for my Sister to Return from thence
to this place — M^r. John Spaulhawk who waits
on M^{rs}. Pepperell to the lines at New York, has
been so obliging as to offer to bring my Sister
with him — The Hon^{ble}. Committee will excuse
me for the liberty I've taken, in expressing my
Desire, that M^{rs}. Pepperell might go, not
seeing the least improbability of the Measure, tho'
Humbly Submitted — I have the Honour to be

Very Respectfully
Yours most Obedt. Serv^t
John Langdon

Hon^{ble}.
