In Committee of Safety

Jan 25th, 1782

Sir,

The General Court, having been informed of the distress of the troops of the New Hampshire Line stationed at Saratoga for want of Rum & many other Articles necessary for them, came to the following Resolution—copy of which is inclosed.

It is therefore requested, by this Committee, if in your power, that Nathl. Everett Dpt. Quarter Master may be ordered to convey to Albany such quantity of said Rum as may be thought necessary for the use of said troops. —
