

Dear Sir

<sup>62 242</sup>  
Philadelphia Octo 30<sup>th</sup> 1781

I have been confined with the gout but am  
better so as to get out to Congress.

I have nothing material to write  
but what is contained in the paper. I shall  
be under necessity to trouble you with another  
Draft pretty soon, if I can find a purchaser.

My wish is to get home, from this  
intolerable expensive place, if once Vermont  
business was gone.

I am your friend & most obed<sup>t</sup>

humble servant

Samuel Livermore

Hon<sup>ble</sup> Presid. Warren
