Sir

I would request the favor that your Hon<sup>ble</sup> Committee would send on to this place under the care of a small guard, Abraham Wing Junr. John Graves, Rich<sup>d</sup> Bell, Will. McKenzie, Zach<sup>y</sup> Overmayh, John Sparding, Daniel Marsh, & Benj<sup>m</sup> Booker, now confined in the County of Rockingham

If there are any Continental Soldiers who are ready to march & join their Regiments it would perhaps be best to send them on as a Guard, as it will save expense, and they be on their way

Your Comissary of Prisoners informed me some time since that there was one Elias  
O Davis

Letter from Gen. W. Heath.

Davis a regular Sergeant, also in confinement  
and in disagreeable circumstances as to Cloathing  
and in a poor State of Health, if he is able  
to march up please to order him on  
with the other

I have the honor to be

With great respect

Your Honors

Obed. Servant

Wheatly
