My dear friend

1811

I have just received your letter of the 15th and am glad to hear that you are well. I am well at present and hope these few lines will find you the same. I have not much news to write at present. I am still in the same place and doing the same business. I have not yet had time to write you more fully. I am, my dear friend, ever your affectionate friend

Yours truly

Chalmers
