

Boston Dec. 4. 1776 ^{# 3017}

Sir,

I take the Liberty to acquaint
you that a Quantity of Sulphur was,
year or two since, left in a Store
at Water town, in this State, by a
Person unknown, who said he
bro't it from your State, by
order, and that it was design'd
for New York. The Person who
rec'd the same gave no Rec^t —

a small part thereof has
been taken by this State; the

the Remaind^r is yet in Store.

Perhaps your Gov^t would be wil-
ling to sell the same to our
state. — But that it may
not be lost, I have taken the
Liberty to give you this Infor-
mation — I shall obey any
Order you shall send me in
the affair, and am with
esteem, your Hon^r most
obed^t

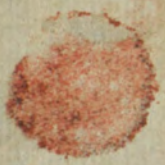

Yours Serv^t —

Dan Hopkins

Hon. President of the Council of the State
of New Hampshire —
