Portsmouth 12<sup>th</sup> January 1780

Gentlemen

I Rec<sup>d</sup> of Major Gaines Copy of a  
Vote from the General Assembly, appointing me Sub  
or State Clothier & Commissary — I feel my self under  
the greatest Obligation to the Honourable Assembly for  
this mark of their approbation — the appointment appears  
to me to be of great Trust & will be attended with a large  
Tour of duty, which will require the utmost attention,  
Besides it will take a considerable Sum of money  
to fitt me for the army, I should therefore be glad  
to know what the pay will be, before I can Possibly  
Engage

am Gentlemen your Most Obed<sup>t</sup> Serv<sup>t</sup>
