Monday afternoon,
My Garge,

This morning I mailed a birthday card to Bess from us. I'm also getting al to mail an anniversary card to Bill to-morrow. While in town, I also dropped a second card to Kay-Pam Anita and to some more friends. All in all, I wrote about 21 cards in the past $2\frac{1}{2}$ weeks. Everyone was taken care of.

Just four more days and
I'll really be happy - so
thrillingly happy. So be
careful how you drive, my
love, and watch those turns.

Archie may call you about
the trip up this week-end.

I do hope you'll have some
relief at the wheel.

It's very warm now and
I expect to go for a swim in
a few minutes - and nap later.

Al and Liesel send their
best and your sweetheart sends
all her love to you.

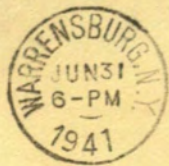

Your

Florence

P.S. You'll need slippers for the ^{shower} check
