Dearest beloved,
 Hope this finds you very well and not worrying about us at home. We're fine and handy and ever hopeful for your return soon. It looks as tho' I will be more near will be called into the army within the next 6 months. All kinds of things are happening in Europe and the big countries are already disputing about post-war plans. Battles, dirty politics here to engulf all of us and the entire hemisphere like an octopus. But we'll live those happy days yet and all this will be quickly forgotten. You won't forget so easily, I know, and we at home will do everything possible to make you a very happy and carefree person again. Cheer up, darling. Baby and I are indoors again because of bad weather and Betty and Lawrence will keep us company this aft. Don't forget to look in back of Jim's photo when you receive these "pics". I inquired about your arched and sent just in a truce before 4 months from mailing date. Stay well, dearest, and all the love that's in our hearts. You forever,
 George & Jim
