Scarlet things,  
 Another day nearer to our reunion and the news is wonderful. Jim and I are really fine and in good spirits. Received your April 17<sup>th</sup> v. mail today will try to get you films and send them pronto. Also mailed another parcel to you today containing clothes and candy. I myself in Belgium can use my shoes or yours I'll gladly send them. Jim loves the toy you sent him but will stay with it when you return. Good hump for we'd all waiting impatiently most of the day we spent indoors due to the cool weather and Jim and I finished up your clothes and all your clothes and G.H. The smell of moth balls and talc paper gave me a slight headache but it's gone now.

Both families are well and I had a letter from Bob today. He has a slight cold and is kept very busy. Allied states sent us a dividend check for \$25.

That's all the news. I still love you with all my heart and Jim and I send you oceans of love and kisses.
