Tuesday eve

Dearest sweetheart,

It's already 17 months since you went away and sometimes it seems like 17,000 years. Now I do miss you and love you, sweetheart. Patience and time are the best factors during this separation and also the humorous side of it all.

Jim and I are just what you want us to be - fine and dandy. We were outdoors today altho' it was quite raw and windy. No mail from my beloved but there's always tomorrow.

God's news is good and it'll get even better daily. Mailed out checks for my policy and the car insurance. Called the folks this eve and they're O.K. - they too had no mail from you. Ethel and my mom are fine and Thelma and Maurice are still in North Carolina relaxing.

All my love, attention and devotion to the sweetest man on earth. Miss and hope to see you. Always,
Florence
