My darling,
 It is Friday the 13th and your luck is good. All is well at home and I do hope you're fine. No mail from you in two days but I have every hope that'll be some to-morrow. Mailed out your camera on Monday and mentioned it in every letter this week. Hope you get it soon.

Had a busy day with Boss, Jan and Jim. Went to the photographers with Boss and Jan had his pictures taken. After lunch we drove out to Rio Park and spent a lovely afternoon.

Your cousin Aaron is home and the folks will see him on Sunday. The war is going to end soon and that's for our happy days to-jokers again.

All my love to you as always and love and kisses from Jimmie. Best regards from all the family and stay well, dearest.

 Lovingly,
 Florence
