Florence Darling:

The monotony and dullness of the day has made me so  
bored that writing has even become an effort. True, no mail from  
you or anyone added to my discomforts, so please please  
forgive the brevity of to day's expression of love and devotion.  
I wanted to send you the enclosed snuffs and money order  
for \$50.- so I'm writing these few lines. Please acknowledge.  
It is now 3 P.M.; there's nothing to do, it's warm, and I'm  
fed up with all this clutter.

After a while I'm going down for a shower and  
then to the Red Cross for coffee and doughnuts. Following this  
to the movies. Same picture with Jon Blondell and Kim Beatty  
in the leading roles. To-morrow I'll probably do the same.  
Under separate cover I sent you an envelope (#6). Containing  
negatives.

Hope you and Jim are in good health and  
having news from new that our worries have been lessened.  
Keep smiling, sweetheart, kiss Jim for me, and watch  
the days rush by. all my love and adoration

As ever,

Jo
