SEE INSTRUCTION NO. 6

Saturday Eve

Dearest, Sweetheart,

We're all very well and anxiously awaiting word of your early return. Jimmie is looking great and is a little sad because of Louie's disappearance. Last night the letter either rained away or was stolen, so no more letter.

Weather is very humid and it's warm today. Postman brought your letters of Aug. 15th and 17th. Thanks for the \$5.00 money order. I do hope you're feeling more cheerful. Also received 2 of Frank's letters via free mail, they're swell.

Didn't do too much today because of the holiday so we stayed neat the house and chatted with our neighbors. Jim played with Jack.

I love you, darling and miss you as always. Keep and kisses from Jessica and all my love and devotion to the sweetest sweetheart. Happy New Year from all the family and best wishes. Sincerely,
 Florence
