Scarlet Belated -

Spent a nice day with Mom, Jim, Marion and Eleanor and then alone again with Mom and Jim. All's well and I'm looking forward to your latest mail and the good news that's on the way. Mom and jewels fine and today we took a nice ride to the camp which is 13 miles away. It's a very nice place and the countryside is lovely in that sector.

I love you, darling, and am counting the days when I'll see you again. Jim is also quite anxious to see Daddy but some weather is slightful. Expect to be home about the 15th or so to address mail home.

All my love and devotion to you as always. Hope and kisses from Precious. Best wishes from the family.
