George, dearest,

Wednesday

Had a busy evening due to a paint job in our living room and foyer. All is in order at present and our closets will be done to-morrow. The color painted is a deeper green and a good job was done.

Jim and I are well, the folks are fine and there's been no mail from you in 2 days. Mr. Pinus called this evening and all is well with him and his family. Jim and I were out most of the day and the weather was delightful. Spent a short time in Van derwever Park and Jim had fun running around. We both miss you and love you more than ever. Stay well, my darling and soon we'll be in each others arms again. All my love.
