Thursday

Dear George-

Time passes so quickly when one is as heavily rushed as I am, that the realization today is Thursday is nearly a surprise to me.

There isn't too much to write about. Everything is unchanged. I still haven't had time to get a suit, or take a hair cut or do anything else.

Business is swell. My health is perfect, so all in all I guess everything is fine. The boss will be here today. In fact, he flew out here, and we expect him any minute.

Hope both you and Flo are well and happy —

With a handshake in mind —

Bob.
