Haven't banking:

Time for writing is short, but I do want you to know that all is well, and that I still love you, and Jimmy Jim. Every thing is just fine and dandy, and I hope all is well at home. Weather is warming up a bit, and it sure feels good to get out in the warm sun. Received three insulations to-day and pretty soon I will be finished with that phase of my army career.

Please explain to the folks, that if I don't write in length, it is due to the lack of time. How is Jimmy coming along? Have you taken him to visit Santa Claus? Let me know how you fared at Xmas; and also bid you receive the packages forwarded from New Orleans. Continue writing as mail is delivered, only a couple of days late.

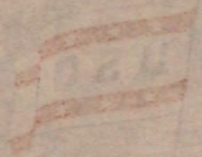

With more than the usual love in
mind,

as ever

George
