

Tuesday.

Dear George

You'll forgive me for being brief, but am rushing this early A. M. as I don't want to be totally neglectful.

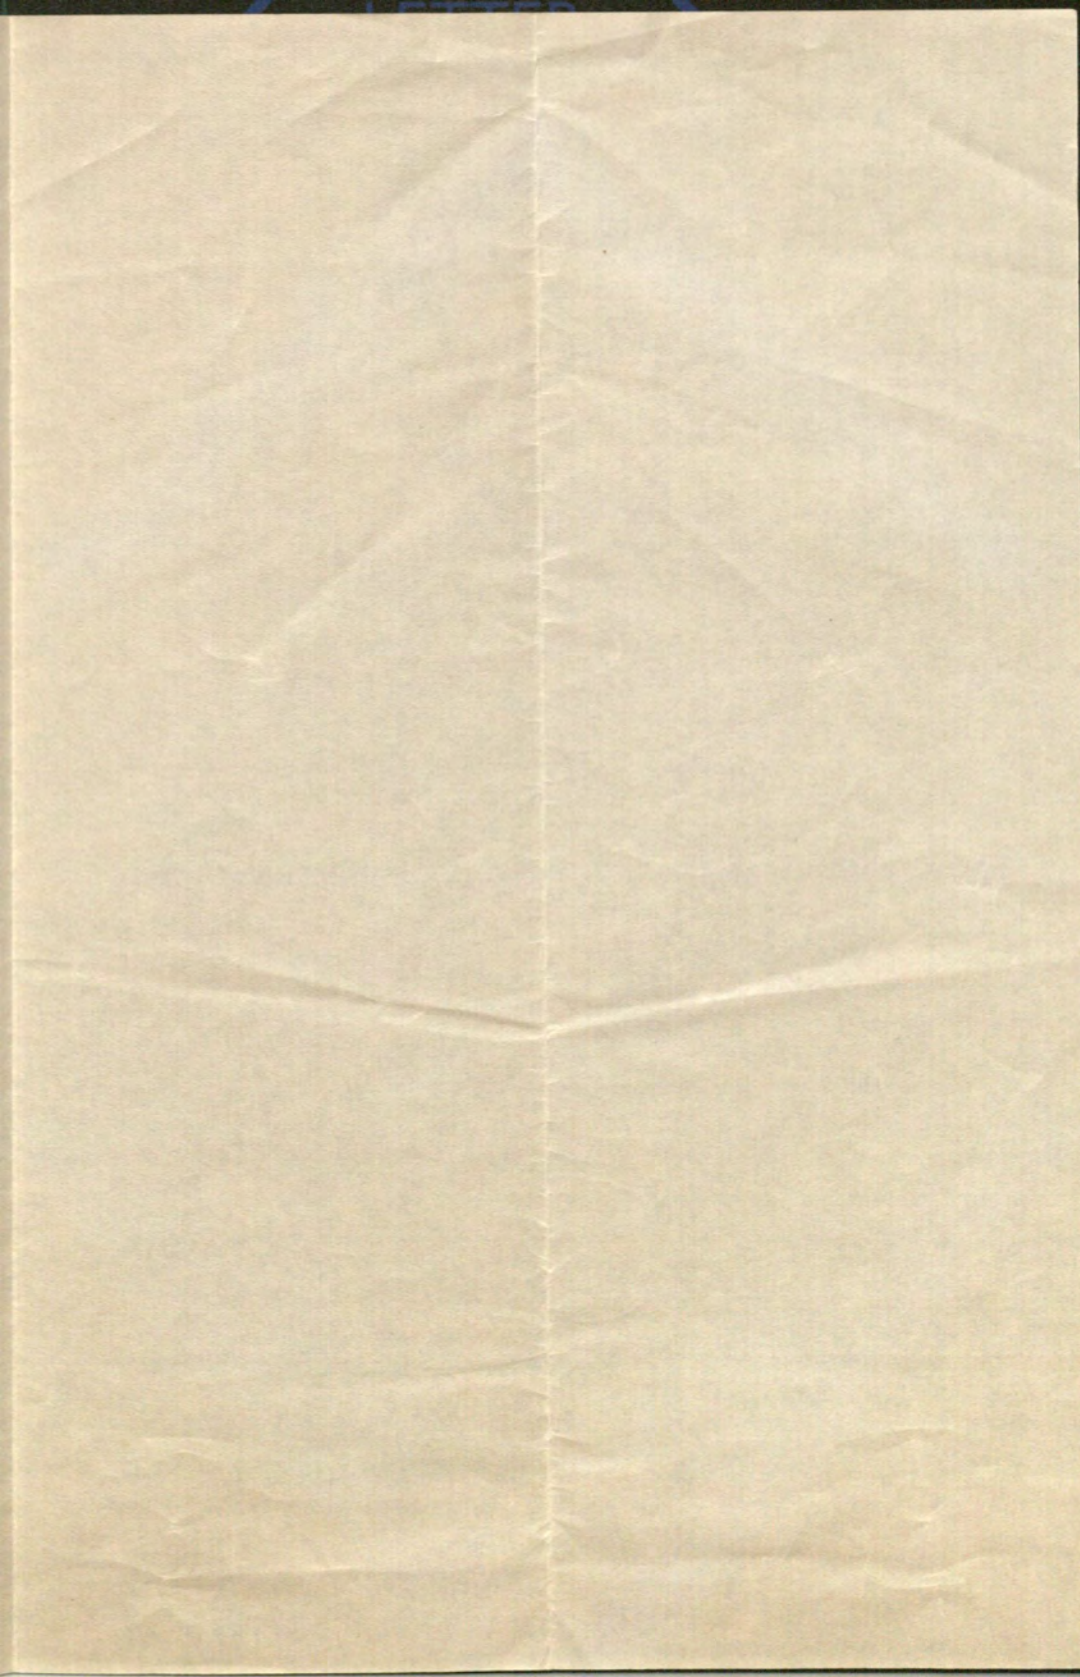

I speak to Florence daily and yesterday was no exception. Everything is fine at home so feel at ease on that score.

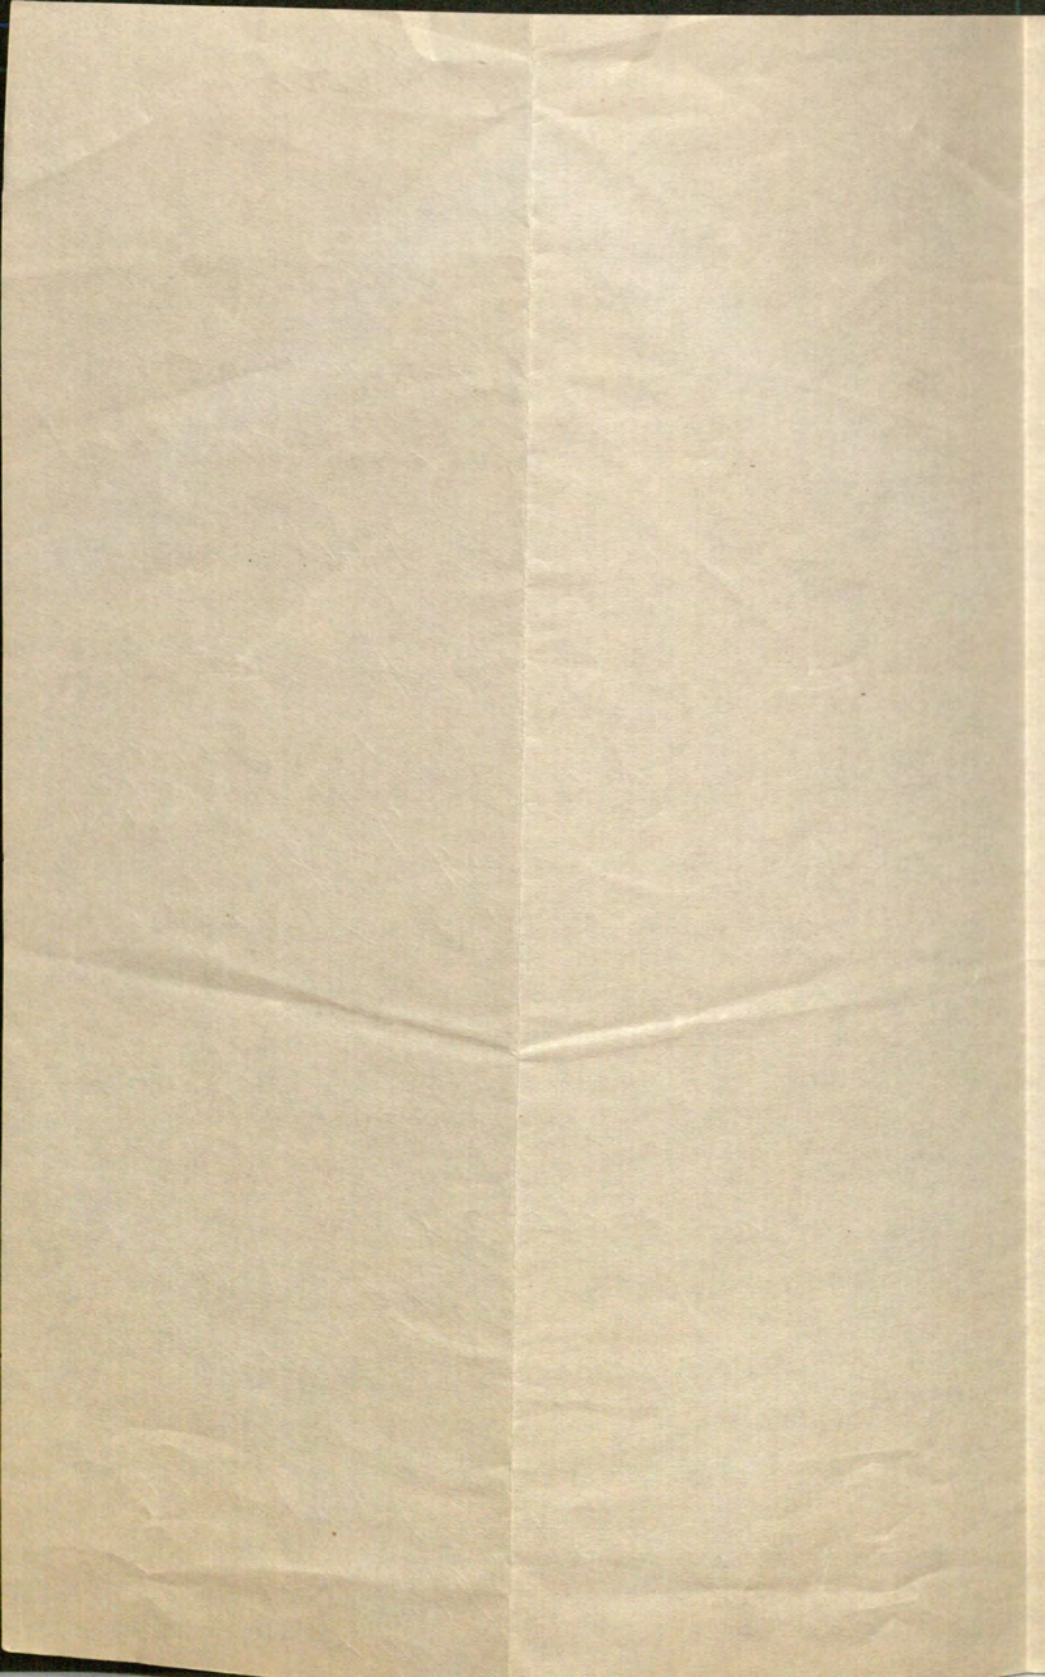

at the office I have been busy and dizzy.

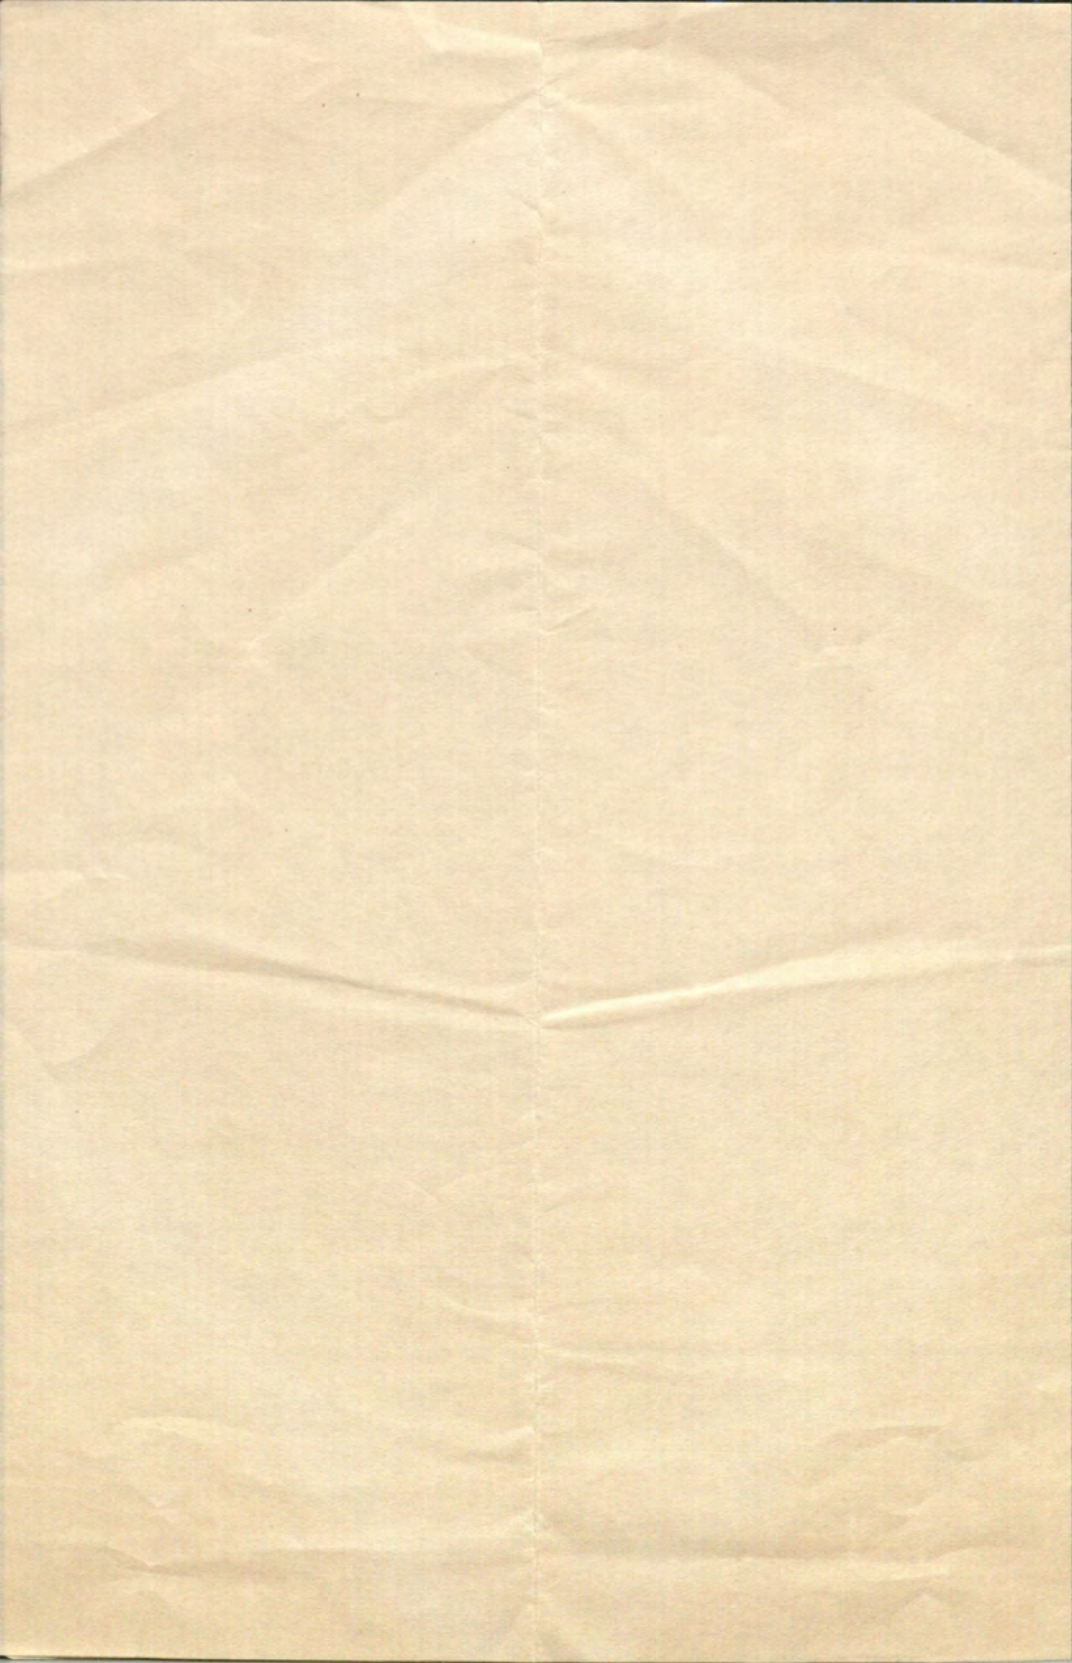

will manage to write at length either tonight or tomorrow.

My best and loads of good luck.

Sincerely  
M.H.
