Sunday eve.

Dearest George,

It's been quite a lovely day for me except for the rain that continued from the afternoon till evening. Mom and Pop, Naly and I are well and are still so happy about your call.

Bunny called for me at 12 noon and drove directly to the Riverside Plaza where all the Liebers and some of our friends and acquaintances were assembled. Everybody looked quite dressed up and even I did up in my purple dress and hat plus a fake big hair do didn't look too bad. The affair was very nice, well served including the hot and cold hors d'oeuvres, cocktails and mixed drinks at the bar. The dinner was served at 2 p.m. with turkey as the main course, the menu was very nicely arranged - even an accordion player helped to make everyone gay and in the jolly spirit. Arthur made a little speech and wants to be remembered to you - as well as the rest of the Liebers. We sat with Abe Korman, The Rakels and 3 nieces of Abe's. Pictures were taken during the afternoon, while we were eating and each table had individual "flashes." When the pictures are ready, I'll forward me to you.

Danny and I left at 4 and drove Billy and Mickey up to the Bronx - arrived home at 5.45 and I thanked Danny for being such a swell guy and escort.

Our Jimmie was well taken care of, ate all his meals and drank all his nibbles - as Mom says - to the last drop. He sure gave them a busy day but they didn't complain about their favorite grandson. Mom and Pop iten had supper and left soon after - about 8.15.

Mrs. Reese and Mrs. Pinous called to-day and send their best regards. Mrs. Reese spoke to Pop and I got the message when I arrived home.

Hope you're well and that I get some mail from you in the morning. Did you receive any packages from Max Eddie, Billy, Jenny Raffaport or me? You'll be getting them soon I hope. Also enclosing ²1.00 in this letter.

All my same warm love to you, my darling, a kiss from Jimmie and love from Mom and Pop.

As always,
Florence
