Saturday evening
10 o'clock.

My darling sweetheart,

The best Xmas gift I received was your telephone call made this evening. You sure come through at the right moment, my dearest one, and your voice made Mom and Pop and myself and even our precious Jimmie so very, very happy. At present, we have to be so thankful for the little things in life and just the thought of knowing that you're well is sufficient happiness for me.

To-day and also yesterday were two very busy days for me and to-morrow is going to be an exciting one also. After keeping my appointment with the beautician, I had a busy afternoon and evening with Joel and Jimmie. Feeding them both and putting them to bed was quite an experience but I'll take my Jimmie any day. His nature is entirely different from Joel's and so much could be done with the latter with patience (plenty) and understanding. In the morning, we all had a good breakfast and Thelma came in time to feed Joel lunch.

In the meantime, a special delivery letter came for me and also a package. The letter was from E. Lunitz & Co with a bonus check included for 5% of your earnings less 20% with holding tax - amount \$148⁴⁶. What a wonderful surprise for us, my dear. The package was from Mayers with a lovely Xmas card - a sized sweater in white for our Crown Prince. That started off the day with a bang. Rosalind sent you a duplicate of the letter he sent to me and if you don't receive some, I'll send you mine. Later mom and Pop came and will be here again in the morning. We all enjoyed the tongue and salad etc. which I prepared and your call was the "piece de resistance". We did manage to drive to my mother for a very short visit - exchange gifts and my mother gave me a \$7⁵⁰ check (half of a dividend) plus a hand-made bag for me. All in all it was quite a day and I even managed to drive mom and Pop home at 9:30. Ben-Jon-Eleanor and my mother were getting weeds at getting over them so they all stayed away - one advised to one another.

Billy Rubel and Stanny spoke with me last night - all's well. Bunney got tickets for the "New Widow" for Fri night Jan 7 so maybe I'll step out with the gals. Fran left for California yesterday - so Pop told me. Best regards from all the family, love from mom and Pop, best wishes from all the neighbors also the suft.

Good night, sweet heart, most pleasant dreams and I love you so very, very much. Our Jimmie is still the most adorable and sweetest baby and sends you a great big kiss.
Love,
Florence
