Dec 20-24

Dearest,

Sam, Kay and Anita paid me a short visit to night and picked up the Ymas gifts. I called Kay this evening early and they were also going to visit Mom and Pop. This stationery is a gift from them and Jimmie got ~~3.00~~ from Anita. I bought them handkerchiefs for Sam - evening handkerchief for Kay and a hat and pocket book set for Anita. They seemed pleased with all the gifts. They send their best to you.

The baby and I are well and still miss our dear Daddy. It's so nice and comfy here and the weather has turned a bit milder. There's a nice Christmas tree in our lobby and I'll probably see the saft Sam and give him his gift to-morrow.

Jerry Whitman sent me a V-mail letter to-day and Mr. Hensel and Michael & Herbert Kenner sent me Ymas cards. Here's

Jerry's address
Pvt. Jerry Whitman 12124098
3rd Sect, 62nd Canal Co,
APO 927 c/o PM, San Francisco, Cal.

It was written on Dec. 2nd 1943. If you have any time, write to him.

I've been quite lucky to get a pack of films andaddy. Shemin also got me a roll. So more snaps will be taken soon and then forwarded to you.

Those creole fruities are quite delicious and perhaps the first one I had didn't find me in the fruitie mood.

To-morrow I have an appointment with the beauty saloon and expect to get a nice hair-do and the trimmings. Betty is going to watch Jimmie while I'm gone. Most of my shopping is done for the week-end and from Monday on I'm going to rest and make that body of mine beautiful again.

Good night, my sweet, will continue to-morrow. Love

Fri morn. Jimmie and I overslept, my
mind seems to be at ease again. After
breakfast, I went down for the mail. No
mail from you but I did get a bill
for your vault. The check will be
sent out to ^{to night or} ~~tomorrow~~ night. Baby is
fine, tries to talk and says the most
unusual words - which I cannot com-
prehend. Spoke to the folks - all's
well.

The weather is clear and colder.

All my love and devotion to you,
sweet heart.

As always,
Flora
