

Thursday eve -  
March 2<sup>nd</sup> 44

Dearest beloved,

All is fire in your household and  
our little precious one looks so sweet right  
now I could really take a nice bite out  
of him. He's just had his bath and has  
a super special curl along the center  
part of his blond curly head and such  
rosy cheeks. What a busy day he's had  
today from morning until his bed time.  
While I spoke with your mom he managed  
to take out most of the flats and put  
them all in the dryer but he also helped  
me put them back. He also lent a

hand with the dusting and mirror cleaning.

I'm sure breaking him in right and he loves  
to keep busy.

The folks are all well and I told Pop  
about the return which he'll sign in a day  
or so and mail to the Dist. Revenue. Samy  
and Pilly called today, all is well  
and they send their regards to you. I  
also phoned Keeler who is up to his ears  
in work. As usual, I thanked him  
for the check which I received today  
and was told too, that Mr. Brown is home  
with a cold. He sends his best to you.

4

My dear brother-in-law My father  
was a visit this morning and he looks fine -  
healthy like anything. He came back with  
all of Ben's clothes and also the baby's  
things. They'll stay there until the  
trial opens, which is a good idea.

Just listened to a program telling  
about all the W.A.C.s at Fort Washington,  
Ind and I believe they're getting the  
same kind of training that you are.  
Here's hoping you get to the place and  
then home is not too far off.

Miss you more than ever,  
still love you with all my heart  
and am doing all in my power to keep  
those spirits high.

Received the schedule in to-day's  
mail (non. letter) and also Pop's return.  
Thanks for the prompt service. Also enclosing  
the form and envelope for your tax duplicate.

Excuse the hasty letter, dearest, but  
it's quite used out and Betty is waiting her  
for me to finish it. She'll mail it. It was  
20 above to-day and looks like a cold spell.

With all my love and devotion and a  
big and kiss from Jimmie, we are  
Always yours  
Glenn & Betty
