

Thursday 3-16-44

Florence, sweetheart:

Writing against time again tonight, but do want you to know that all is well, and I hope this finds you and Jim that way. I received your Thursday and Sunday letters to-day, and sure glad that everything is under control in our own little world. Had a swell work-out to-day, and will tell you all about it when I get more time to write.

I saw "Coy Hever" about 6 weeks ago, and enjoyed it no more than you did. Have not seen a paper yet so I don't have any ideas as to the latest news, which I hope is still good. We are finished with the best part of the schedule, and will probably return on Sunday.

Glad the folks, I and your gang are well. How come Bevvie is still around? No mail from Don, but I had a letter to-day from Mr. Hunt. Give my best to everyone, Kiss Jim for me, stay well, darling. I love you  
as ever
