Florence, dearest:

Having two jobs has many advantages, as you no doubt can appreciate from the enclosed. The medal is not the one I was supposed to have received, this being a "charpaloster," and I'm supposed to be an "expert," but all the expert medals were distributed before my return from furlough. I took the next best, so please put in safekeeping, and acknowledge.

all my love, as ever,

G. G.
