Dearest beloved -

Weather is cool and delightful, Jim and I are feeling swell and we love each other so all is well. Received your June 29th and June 30th letters with more snaps. Both were elegant reading and you took very good pictures. Also had a letter from Betty (Cohen) Polman and Tracy it's husband maybe in by September. All send their regards to you.

Jim and I were out most of the day and relaxed in our own back yard. Went to the library to select a book and get some magazines.

Clara and Mom will be in to-night or to-morrow and the week end will pass quickly. We miss you very much and love you more than words can say. Kisses and hugs from both Jim and Mommy. All my love always
Florence
