

AMERICAN RED CROSS

6 January 1945.

Florence, dearest:

A most interesting article which you should read, and then peruse among my other military anecdotes. This gives you a rough idea of what we are supposed to do, how we do it, and why. Need I add there are moments when we digress from our stated purpose, but that only adds interest to the set-up. The pictures are excellent but hardly do justice to some scenes that I could have taken had I a camera - Let me know when you receive this clipping -

Kiss Jim for me, and stay well and relaxed until the inevitable finish. I continue to love and adore the sweetest wife in the world,

as ever

George
