Wednesday -

My dearest,

The weather hasn't changed
and I'm too warm to think.

This morning I received my
daily tonic, your message and
also a letter from Molly Van
Berkom. She's a girl who was
here with her husband Bernie -
they're a nice couple, friends
of Archie, and I'd like you
to meet them when we get
back to the city.

Only one more day remains,
my darling, and then I'll
be getting that first kiss all
over again. Remember?

For the past few evenings
I've been "tripping the lights
fantastic" and believe it or not
don't tire easily. The band is
good and the staff expects
to put over a real good show
for the week-end. So - you
may have a pleasant week-
end after all - I'll try
not to complain once.

Please thank Birdie Kellner
for the letter she sent me - she's
very thoughtful and send her
my best regards.

So - my last line until
I see you - I love you with
all my heart.

Always,
Florence
