PROPOSED COURSE DESCRIPTION:

A supervised practical experience in educational leadership with seminar sessions addressing national and state standards for educational leaders. The focus of this Internship will be working with staff, parents, the community and the larger context.

LEARNING OUTCOMES:

As a result of this course, students will:

1. Understand how to promote the success of all students by facilitating the development, articulation, implementation and stewardship of a vision of learning that is shared and supported by the school community.

2. Demonstrate the ability to promote the success of all students by advocating, nurturing, and sustaining a school culture and instructional program conducive to student learning and staff professional growth.
3. Show knowledge of the ability to ensure management of the organization, operations, and resources for a safe, efficient, and effective learning environment.
4. Demonstrate the ability to promote the success of all students by collaborating with families and community members, responding to diverse community interests and needs, and mobilizing community resources.
5. Promote the success of all students by understanding, responding to, and influencing the larger political, social, economic, legal, and cultural context.

RATIONALE:

In response to our ELCC report and to state certification standards, we need to formalize our students' connection to working with school, community and then larger context.
