Dear George & Florence:

I received your last three letters, your candy in one solid lump, "Thanks", and Mom's new address.

I survived that hot spell and now its so cold that the change was welcome. You can bet that the rainy season is coming along now that my vacation is nearing.

Theres been so much for me to do these past few days, what with getting my clothes ready and running around with customers that I havent had a moments' time to write.

I'll try to call Ben Rosen about the film and Allen about the car tomorrow. If im not successful, Helma will be coming home some time tomorrow so I'll give her the job.

Havent had a letter from

Mam all week so I guess shis
busy too. Before I forget shis at the
Cherry Hotel, Ocean Drive + 8th St
Miami Beach.

I'll be leaving Friday morning
and returning in ~~ten~~ days. Then
back to work Monday and I know
I'll hate that day.

Henry is away on his vacation
this week and so Lou was
sent to the other store to watch
Ben. So if any thing should
happen there let the salesmen
worry.

The corn is ripe and
Marion's mother cooked it for
me. Sweet as honey.

Can't wait to hear Jimmy
talk - now you've got to be careful
of what you say George.

Don't suppose I'll be able
to write for a few days so
here's hoping I'll have good news
for you.

Love
Eleanor
