Dearest and Sunny Jim:

Have no paper, but want you to know
that I am sitting here thinking only of
you two. It has been snowing all day, and
it reminded me of those wonderful days
in the Laurentians. But, don't fret, we will
recapture that joy again real soon, and this
time Jimmy will be with us - all is well -
let me know when Chuck arrives -
Regards to Bers. Love, as ever,
George
