Tues afternoon,

My sweet,

Just finished dinner and
am feeling as fit as a fiddle.
The heat let up a bit and its
a little cloudy now. Expect to
go canoeing in a few minutes.

Your letters are so beautiful
that I read them over and over
again. I especially liked that
double header you sent Sat. nite.
So glad that you and Bob attended
to the rug and that cemetery
business is being taken care of.
How I do ramble!

The heat is getting me, my
darling, so until to-morrow

Your loving "divil"

Florence

I do love you

Take care of Searge - please -

Friday aft,

My love,

I ove oo. He oo ove me?

Am writing this ^{in bed} while
relaxing after a fairly large
dinner. It's very hot today
and I just "fell off the
roof." Surprised? Yesterday
was also a hot day and
your "little lady" is quite pink
all over. My sunburn has
a joyous ache and my shoulders
bothered me just a trifle all
last night. Nothing eventful.

happened in the last 2 days
except your sweet letters that
greet me each morning at
breakfast and your package
which arrived today. I don't
think I'll have need of those
things anymore. It's so hot.

All keeps ^{on} singing to me
"I wonder who's sleeping in
your bed to night" to the tune
of "I wonder who's kissing her now" and
it's driving me nuts. I'm
really so lonesome for you, my
darling, that I could pack up this
minute and leave these beautiful
mountains. Without you, I'm lost
and I'm not sure whether or
not I'll be able to stay

~~so nice~~ here as long as
we planned. I hate to worry
you but it's no fun without
you and I'm really trying
hard to gain and increase
my pep and vitality but still
I'd be so much happier with you.

When Bob comes in this
week please don't forget to get
him to help you with the rug
and remind Ernest about the
mirror and the bathroom
window. So happy to know
that you bought some things
for yourself - wear them well!

It'll be lots of fun listening to a phonograph for a change - especially when we have such a good selection of records.

As yet, I haven't spoken to Beatrice about the rates but I will soon and try to get 10%. I don't if I'll get it.

If this camp asks 37.50 per for July & Aug. Season is worth 75 - To me, this place isn't so up to date as it appears to be and there isn't a comfortable seat anywhere. Hey, the chauffeur, got me a rubber seat ^(cushion) and no kidding, my darling, I carry it all over with me.

5,
Every morn I take my
A-B-D-I pill and my stomach
is working fine. The only thing
I do miss - except you - is my
milk at night. I dislike asking
for it although I could get it
from Al but I don't like to
ask him because he's busy at
that time. He's doing just a
little business and is sorry he
put in so much liquor. The
strongest drink he serves is beer.
Don't write to him about the rates.

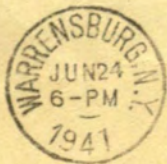

It's very hot now - and Liesel
and I are going canoeing.

So - until to-morrow - all
my love.

Your loving,
Florence

☺ - that's a false smile
