Mother
Friday day

Dearest sweetheart,

It's finally happened - unofficially on May 7th and officially tomorrow May 8th. You can well imagine how joyful and thrilled I am and we know your feelings too. Just hurry home as fast as Uncle Sam will allow you. We love you so much and miss you every moment since you went away. Stay well and a little more patience for all of us wouldn't be too much to sacrifice.

Jim and I are really swell these days and just taking our heads off about our Daddy. Had the usual day of shopping, walking with Jim and this evening my mom stayed with Jim while I saw a swell movie "Keep of the Big Game".

All we love and devotion as always and best wishes from all the family.

Yours always,
Fannie
