MRS. GEORGE STOFF
3021 AVENUE I
BROOKLYN, NEW YORK

Wednesday afternoon
Dec. 5th 1944.

Dearest sweetheart,

No mail from you to-day and the last I heard from you was written on Thursday last.

I hope and pray that you're well and not working too hard. I still love you, my dearest, and it almost seems like seven centuries since I've seen you last - it's already 7 weeks to-day.

Jimmy is now dozing off and I have a few errands to do - the bank and the Post Office. I received the E. L. check and also a refund of \$9.84 from the Metropolitan Life Ins. Co. This is part of the Met. Life's letter and I believe you'll know what it is all about. "According to the terms of this policy, the supplementary benefits stated above are suspended

while the insured is in military service in time of war." Premium now payable is \$92.20 annually. If you want a copy of the letter, please let me know. I'm depositing the check in the Flat Rock Bank and cashing the office check and getting 2 bonds — one for baby — one for us.

Charlie brought me the liquor and he's swell to have such good stuff which is really at a premium and one has to have a priority for it. Here are the names of the bottles and prices.

1- IMPERIAL - (HIRAM WALKER'S BLENDED WHISKEY)
\$⁴/₅ - 3.07

1- OLD CHARTER (KENTUCKY BOURBON) 7 yrs. OLD - $\frac{4}{5}$ 4.09

2- OLD MOUNTAIN APPLE-JACK @ 3.35 - (quat) 6 yrs. old.

1- HAVANA CLUB RUM - 4.33

Total 19.19

Hope above is O.K. darling and that we'll drink

it real soon and also make merry and
fetch some woo. I sure do miss my sweet
husband.

It's clearing up a bit but hazy and I will
no go out until the sun is shining again. Sarah
was here this morning and did some work - she'll
be here again on Friday - I hope. In the meantime
all is in order - financially and spiritually.

Danny called last night and said he wasn't
going to attend the Lodge meeting - all the Eddlers are
well. Harry Abrams sent a pack of films, via p.p. today
and I'll call him to-night. Also received a note of
thanks from Arthur Lieber and a nice letter from

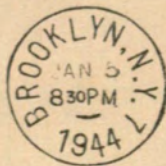

4

the U. S. C. - Manhattan Beach Branch. Also a
booklet from Lewkowitz showing some diamond
studded junk - not for me, darling - all I want
is you around my neck.

All is well on both home fronts and
Bess told me about the sweet letter you sent her.
Thanks, darling. Did you get the package from my
mother and Eleanor?

Until the morrow, my dearest, with that
same devotion and love, you find baby and me
loving you as much as ever
