Mr Wilcox

Dear Sir
your Son is sick with the
Measles. he has been sick a
bed for 3 day. the Measles are
out first rate this P. M. he is
very sick (I think). the Dr told
me he thought to day would be his
sickest day. I don't see any reason
why he will not get along. if he does
not catch any cold. it is a awful
place for a man to be sick in
he has to lay on the ground and
hopes to get him into the Hospital
in the morning. he will have sort
of a bed there he says & not a

Mr Wilcox

Dear Sir

Your Son is sick with the Measles. he has been sick a bed for 3 day. the Measles are out first rate this P.M. he is very Sick (I think). the Dr told me he thought to day would be his sickest day. I don't see eny reason why he will not get along if he dose not catch eny cold. it is a awful place for a man to be sick in he has to ley on the ground am in hopes to get him into the Hospital in the mornigng. he will have sort of a bed there he says not to

worrying. he says tell yr. he should
like to hear a few lines from
home. three weeks since he has
received a letter. his box has
not come yet. suppose it is
at Washington. it is bad getting
about here we have had a long
storm. and it is nothing but
mud. I will write again
tomorrow from your friend
Alfred Chas

worry eny. he says tell you he should like to heare a few lines from home three weeks sinse he has received a letter. his [bore?] has not come yet. suppose it is at Washington. it is bad getting about here we have had a long storm and it is nothing but mud. I will write again tomorrow from your friend
