Thursday

Dearlet George,
 Your letter of April 20th had me in good
 spirits but the latest news and the latest septum
 is quite disappointing. All you have now are 38 points
 and how will you stand up to 95- quickly? Of course,
 the situation may ease up in a few weeks but we hope.

All is well at home and it rained cats and dogs
 today. Our friend Billy sent Jimmie's mother the
 most beautiful and beautiful basket of fruit and
 goodies. It also called and as usual words failed
 me when I had to thank him for his goodness. The
 folks are well and I spoke to Ray to night. All is O.K.

Jimmie had a nice day playing with Maggie
 Tophin, who is so sweet and they had lots of fun
 together. I baked some cup cakes and we all
 enjoyed them. We miss you so much and if you don't
 come home soon, we coming to get you.

I love you more each day and keep missing and
 longing for your love, and return to my small home
 and please from Jimmie and Mommy. I love you very much.
