The Union so much talk of off
the N. Hampshire Grants are at Length De
folt, on the Last week which is a grand
Topic of Discourse amongst us the Generallity
of People seem to wish that the State of Vermont
may be finally Defolt & the whole be divided
Between N.H. & N.Y. if that should take place

deavour that that ^{which} appears to be the most

Truly

Litely to make harmony may be Perjured
According to your Honour proposal I here
with an Encluse a certificate of my Declaration
which I suppose will answer for my appearance
according to my bound-I hope for the future
I shall conduct so as to obtain the approbation
of my Friends and the Authority over me

From your most Obedient hum^{ble} Serv^t

Nathl. S. Prentice

Hon^{ble} Mr. Ware Esq^r
