N Hampshire Village 12th May 1781

I enclose your fav^r respecting Doctor Halls Balance; & Colonel Dearborn will have an Order to receive his Notes —

And your Goodness prompts me to Trouble you to adjust & settle my Account for me — on the other side I have made a rough draft of my Demand, as I conceived of the method of settling such accounts — except what I have rec^d of the State Clothiers — w^{ch} you will charge me wth as you do others — I should esteem it a singular favour if you'd be so good as to send me Col. Dearborn a Copy of my Acc^t as it stand in your Books — with the Notes that I am to receive for the Balance —

Yours Goodness will
Greatly Oblige a Soldier that is poor & ready
with much esteem Your Obedt^d Slave
Sincerely

James Blanchard
