

Tues. 10/12/43

Dearest Bev -

I'm leaving shortly for the other side. I'm on the "Queen E" and it's some boat.

Don't know when ~~the~~ we're going but think it's S.B.

Don't worry about me getting across. This is the safest boat I could be on.

Remember the list of names I gave you (13)? Repeat it for the alphabet in the same order I gave it to you. OK?

We're acting as part of the AA gun crew for the trip across. It's very interesting.

Please don't worry about me. I won't be careless and go out of my way looking for trouble.

I'll always be thinking of you and it won't be long till I'm back with you. Regards to all

Yours
Hal
