SEE INSTRUCTION NO. 2

Monday -

George, my darling,

Since Saturday I received your letters of May 12th, 13th, 15th, 17th and 18th. Your mother's May letters to Mom and me were simply wonderful and thanks for all those lovely thoughts. After I finished your letter last night, I went to the College to see "A Day To Remember" with Paul Muni and Marie O'Brien. It was a thrilling few hours of entertainment and left me in very good spirits. Eleanor stayed overnight and it was still raining when I returned home. I worked again this morning and I made use of my time by packing some things, taking the lock apart and later I expect to take these things to Mom's home where they'll be picked up and delivered to Monticello. Nilda Bell called and she's fine and hopes we'll all have a nice summer.

Jim and I are swell, miss you and love you so much and wish you were on your way home to us. Tell me fine and let us hear of everything. Stay well.
