THIS SPACE FOR WRITING MESSAGES

June 18 - Thurs.

Dearest

Al is well with flu and cold.  
Weather is grand and as always  
wish you were with us. The  
hammock is swell and Jim  
and I take turns in it.

How are your new quarters?  
I hope, comfortable & with  
back.

Stay well, dearest and all  
our love to you. Sincerely,  
Harold & Jim
