Gentlemen
M^r. Martin Bicker an Inhabitant of
this ^{Town} informs that He has a Quantity of Good Detained
by the Committee - and says they may be releas'd
if the Committee can be satisfied that he is a Friend
to the American States -

I do therefore in the Name & on behalf of the
Committee of Correspondence &c for the Town of Boston
Assure the Committee of Safety, that M^r. Bicker's
Character has always stood fair in view of the
Inhabitants of this Town -

As there are so many Villains who patroll
~~the~~ the Country, we cannot but express our Thanks
to the Committee, for their vigilence, tho' unfortunate-
ly in this instance it seems to be misapplied -

I am Gentlemen wth due Respect
Your most Obedient hum^{ble}
Servant

Committee of Correspondence

Sam^l. Ringler Chairman
