

Friday morn -

Darling -

I am dashing just a few lines to let you know
we're all well and I've slept much better last
night - am on my way to the bank and to market.
Received your letter and 2 cards, also letter from Bob.
The weather is mild. Last night I stopped in to see
Birdie & Charlie - they send you their best regards.
In bulk of the checks I deposited - I wrote, after
my signature, deposited in so & so bank - is that
correct?
Love from Jim & your ^{ever} loving wife
Flarene
