Dear Friends at Home:

I sent you
a box to-day by express in that
portfolio you will find a letter
I wrote you that I intended to send
you an ambrotype by Otis Farrow
but did not see him he started
for home in the 4 p m. train to-
night I send you in this an ambrotype
I got some photographs taken but I did
not like them so got ambrotypes in-
stead as we move tomorrow going
probably to Washington city from there
we don't know where we go I enclose
a photograph you can see it is not
a decent one I hope I shall hear from
you soon. Truly your soldier boy
