My Darling -

Attached are a couple of things I'd like you to have.

We're leaving in the morning but I'm waiting for your call to-night.

I hope this reaches you before you leave.

Buvy, I love you with all my heart. You've been the grandest wife. Really Buv you've made me so happy, and my life seems so complete. I know that we're going to have a nice long, happy married life to-gether when this war is ~~out~~ over, and I'm sure that the date isn't too far off.

I hope to see you very soon. I still think I'll end up near home.

I hope your trip home is pleasant and not too tiresome.

Well my little ^{II}wife (it's wonderful
to able to have you as my wife) I'll
say good. bye for now.

No matter where I am or what I
do I'll always be loving you and
thinking of you. Thank God I have
you to come back to.

My love to the folks and the gang.
Your own hubby
