My Wilcox

Dear Sir

I drop a line to you at the request of your son Charles he has been very sick since I wrote you before. I got him into the Hospital last night he looks ever so much better to day. I think he will get along very fast. I never saw anyone break out so before with the Measles. he has got the real black Measles. he wants you should send him \$10.00 by return of mail. he has not got his pay yet he is in need of it very much

it is a very hard place to be sick
in. Those that are sick are the
only ones that know, or realize
much about it. I hope he will
soon get out again. & be at his
post. we will trust in our Heavenly
Father for he orders all things
for the best we believe. There's always
some comfort in times of trouble
I will write you again in the
morning.

yours truly your friend
Alfred Chase

P.S. he says do not worry.
