

AMERICAN RED CROSS

BROOKLYN CHAPTER

Serving all of BROOKLYN

We congratulate you on entering the service of your country and want you to know that the Red Cross is prepared to serve you or your family at any time.

FOR YOU At every Army and Navy station or outpost there is a Field Director. See him if you are worried about personal problems or about news from home. The Field Director is in touch with Red Cross Chapters in every part of the country—and one of these is your Home Chapter.

FOR YOUR FAMILY The Home Service Department of the Red Cross is prepared to give similar service to your family. A Home Service worker stands ready to help with advice on allotments and allowance, personal and family problems, adjustments of budget. It is a medium of communications with you. The Red Cross is your friend at Home and Abroad and the link between you and your family.
